BUDGET DETAIL AND PAYMENT PROVISIONS

1. INVOICING AND PAYMENT

A. Service Budget Payment of Expenditure

1. This is a cost reimbursement Agreement for subvention services. For services satisfactorily completed, and upon receipt and approval of the invoices, the Department of Rehabilitation (DOR) agrees to reimburse the Contractor for actual expenditures incurred subject to the approved Scope of Work, Service Budget, Budget Narrative, and applicable regulations as attached or referenced hereto and made a part of this Agreement.
2. All expenses shall be reviewed and approved by the DOR Contract Administrator before payment can be made to the Contractor.
3. The Service Budget must set forth in detail the reimbursable items, unit rates and extended total amounts for each line item. The Contractor's Service Budget shall include items directly related to this Agreement to include a Budget Narrative that fully explains why and how the costs are necessary to the Agreement.

B. Submission of Invoice(s)

1. Monthly invoices must be completed using the DR 801B Service Invoice form (DR801B) and shall provide an actual line-item detail of expenditure(s) that supports the approved Service Budget and Budget Narrative. The DR801B shall include the Agreement Number, Registration Number, and be submitted in duplicate not more frequently than monthly in arrears to the DOR Contract Administrator or designee (listed in Exhibit A).
2. An original DR801B must be submitted and signed by authorized personnel as listed on the Signature Authorization (DR 325) form.
3. Supporting documentation must be available upon request at any time by DOR staff, or other State and Federal representatives.
4. Federal and State funds are time limited, therefore, invoices (service and certified match) must be submitted as soon as possible, but no later than 60 days after the service month. Final submission of all fiscal year-end invoices is due no later than November 1st, to allow for payment and draw down prior to the close out of Federal/State funds.
5. If budgetary funds revert due to failure to submit timely invoices or failure to submit a properly prepared invoice, related Federal and State funds will no longer be available for use which will require the contractor to submit a claim through the Victims

Compensation and Government Claims Board, where approval to pay is not guaranteed.

6. The DOR is committed to issue payments as quickly as possible following the receipt of an accurate and complete invoice of allowable costs as approved by the DOR Contract Administrator.

C. Appropriate Expenditures

Budgets must not contain line items that are or will be reimbursed/paid by another source of funding during the period covered by this Agreement. Unexpended funds for a fiscal year shall not be carried over to another fiscal year. Agreement expenditures reimbursed by DOR must be reported as federal funds in the contractor's accounting records and on the Schedule of Federal Awards under the CFDA # listed for this Agreement and prepared for the Title 2 Code of Federal Regulations, Part 200 (2 CFR 200) Single Audit.

D. Invoice Claim Adjustments

1. Surplus funds from a given line item, within a fiscal year budget may be used to defray allowable costs under the approved budget line items contained **within the same fiscal year**. A claim adjustment is required on the Service Invoice (DOR 801B) with an attached brief narrative explaining each line item impacted and may not exceed up to a cumulative amount of ten percent (10%) of the total annual contract Service Budget for all budget years as long, as there is neither an increase nor decrease of the total annual contract Service Budget. A formal amendment is required if it does not meet the above criteria.
2. Staff line item salary ranges and percentage of time are projected estimates and are subject to change based on actual salary and chargeable time costs. Claim adjustments are allowable as long as the annualized total line item costs do not exceed what is allowed in Item 1 above.

E. Budget Contract Amendments

A contract amendment between both parties is required for any budget changes not covered in Section D above. This includes any major category or detailed line item description changes to the approved Service Budget and Budget Narrative as outlined below:

- Adding and deleting a major category budget or detailed line item.
- Line item adjustments that exceed a cumulative amount of 10%.
- Decrease/increase to the total annual budget award or the total Agreement award for all budget years.

(Note: ALL changes must be made in **bold**.)

Go to CalHR website at <http://www.calhr.ca.gov/employees/pages/travel-reimbursements.aspx>. No travel outside the State of California except for bordering California states shall be reimbursed without prior documented written authorization from DOR.

Upon request from the DOR, Contractor will provide sufficient documentation to support travel expenditures such as travel claims, mileage logs, and receipts for lodging, transportation, and meal costs.

2. BUDGET CONTINGENCY CLAUSE

- A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.
- B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an Agreement amendment to Contractor to reflect the reduced amount.

3. BUDGET CONTINGENCY CLAUSE FOR FEDERALLY FUNDED AGREEMENTS

- A. It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made.
- B. This Agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the current year and/or any subsequent year for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by Congress or to any statute enacted by Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
- C. The parties mutually agree that if Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.

4. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with section 927.
